### "GAME ACT."

PURSUANT to the provisions of this Act, His Honour the Lieutenant-Governor in Council has been pleased to rescind the Bounty Regulations, 1921, as approved by Order in Council No. 669 on the 12th day of May, 1921, and substitute therefor the following in lieu thereof:—

#### *Bounty Regulations.*

That, subject to the conditions contained in these regulations, bounties shall be given and paid to any person who is the holder of a licence to carry firearms under the "Game Act," and to any Indian a permanent resident of the Province, for the destruction within the Province of noxious animals.

1. The bounty payable on noxious animals shall be as follows:—

- (a.) In respect of each coyote, not less than one week old when killed, two dollars (\$2):
- (b.) In respect of each timber wolf (black or grey), not less than one week old when killed, twenty-five dollars (\$25):
- (c.) In respect of each panther (commonly known as cougar), not less than one week old when killed, forty dollars (\$40).

Each applicant for bounty in respect of any such animal shall, within six months from the date same was killed, produce the entire pelt of the animal to any Government Agent, and shall upon such production make and subscribe a statutory declaration setting out the fact of his having killed such animal, and stating the date on which and the place where same was killed. The applicant, unless he be an Indian, shall at the time produce for inspection his firearms licence: Provided that any person who has purchased any such pelt from an Indian may obtain the bounty for such Indian by producing the pelt in the manner provided in this section, and making and subscribing a statutory declaration, setting out the name and place of residence of the Indian from whom such pelt was purchased, and stating the date on which, and the place where the animal is alleged to have been killed by such Indian.

Every such Government Agent shall examine the ears of each pelt of every coyote, timber-wolf or panther so produced to him, and if a hole be found in either ear the application for bounty shall be refused. In case both ears are found to be intact, a hole not less than one-half inch in diameter shall then be cut in the left ear of the pelt of each animal and such Government Agent shall then certify the application for bounty if the same be found to be in accordance with the requirements of these regulations. Such application and certificate shall be in the form approved by the Minister charged with the administration of the "Game Act," and when duly complete shall be delivered by the Government Agent to the applicant.

Any Government Agent with whom any such application and certificate completed in accordance with the requirements of these regulations, is deposited within sixty days from the date of such application and certificate may pay to the applicant the amount of bounty payable thereunder: Provided always that in respect to bounty on panthers, wolves, and coyotes the application has been

certified by a Government Agent that the pelts corresponding to the number shown on the application have been submitted to such Government Agent for identification.

The Game Conservation Board under this Order in Council has power to appoint any Magistrate, Justice of the Peace, or Notary Public, to certify to any application made for the payment of bounty as set out herein, and that a certificate from such Magistrate, Justice of the Peace, or Notary Public, with a copy of his authority attached, when filed with the Government Agent and completed in accordance with the provisions of this Order in Council, shall be sufficient authority for a Government Agent to pay the applicant the amount of bounty set out therein.

These regulations shall come into effect as on and from the 1st day of January, 1923.

## DOMINION ORDERS IN COUNCIL.

P.C. No. 2393.

### NOTICE.

Certified copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor-General, on the 20th November, 1922.

THE Committee of the Privy Council have had before them a report, dated 9th November, 1922, from the Minister of the Interior, submitting that the regulations for the administration of grazing lands in the Railway Belt in British Columbia, approved by Order in Council of the 13th May, 1910, and subsequent Orders in Council, provide that no applicant shall be permitted to hold under lease by original application or by assignment more than 25,000 acres of Dominion Lands.

The Minister states that application has been made to him by Messrs. A. Fehr, H. M. Vasey, H. A. Ferguson, Raymond Leighton, C. A. Jarboe, Alfred Cameron, and the British Columbia Fruitlands, Limited, who already hold under lease more than 25,000 acres of Dominion Lands, for a joint grazing lease covering Sections 3, 4, 5, 6, 7, 8, 9, 10, 16, 17, 18, south halves of Sections 23 and 24, Township 19, Range 21; and Sections 32 and 33, Township 18, Range 21, west of the 6th Meridian. The tract applied for has been inspected by an officer of the Department of the Interior, who reported that the lands are unfit for agricultural purposes, that they are situated on a plateau and, en bloc, are particularly adapted for grazing purposes; that a division of the lands cannot be made as during the spring and summer months the cattle run all over this tract and in the general round-up and branding season they are sorted out and distributed to the rightful owners, that the applicants have had exclusive use of the land for a number of years, and that it is not practicable for any stockmen, other than the applicants, to make use of the lands covered by the application.

The Minister, being of the opinion that the live-stock industry should be encouraged, recommends that Messrs. A. Fehr, H. M. Vasey, H. A. Ferguson, Raymond Leighton, C. A. Jarboe, Alfred Cameron, and the British Columbia Fruitlands, Limited, be granted a grazing lease covering Sections 3, 4, 5, 6, 7, 8, 9, 10, 16, 17, 18, south halves of Sections 23 and 24, Township 19, Range 21; and Sections 32 and 33, Township 18, Range 21, west of the 6th Meridian, under the regulations above referred to, regardless of the fact that they already hold under lease jointly more than 25,000 acres of Dominion Lands.

The Committee concur in the foregoing recommendation and submit the same for approval. •

(2.) Has been a resident in the municipality from the first day of January, A.D. 1922:

Provided further that no person shall be permitted to vote at such election unless he shall before the date of nomination have applied to the Returning Officer and have had his name placed on the list of electors for such election.

Until the municipality is divided into wards, the Reeve and Councillors shall be elected by those qualified to vote in the whole municipality.

The Reeve and Councillors elected at such first election shall hold office until his successor, or a majority of their successors, have been sworn in, unless he or they shall die or resign or become disqualified.

It shall be the duty of the Returning Officer to enter in a book, in alphabetical order, the names, addresses, and occupations of all persons qualified to vote as aforesaid who make application to him as aforesaid to have their names placed on such list, and such list shall be the list of the electors for such elections.

Before the name of any person shall be placed on the list, he shall make and sign a declaration in writing, before some person authorized to administer oaths, setting forth his name, address, occupation, and qualifications as aforesaid, which declaration shall be filed with the Returning Officer.

Such list and declarations shall be open to inspection by any persons within lawful hours.

Any person may complain that his name is improperly omitted from the voters' list, or that any other name is improperly inserted thereon, and may apply to a Police Magistrate or Justice of the Peace to have his name inserted thereon or to have any names improperly inserted thereon struck off the said list. In such latter case reasonable notice, to be determined by the Police Magistrate or Justice of the Peace applied to, shall be given to the person whose name is to be struck off. The Police Magistrate or Justice of the Peace shall hear and dispose of all such applications in a summary way, and the Returning Officer shall amend the list in accordance with the decision of the Police Magistrate or Justice of the Peace.

At least six days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period in the manner provided by section 36 of the "Municipal Elections Act."

The Returning Officer shall, on the day of nomination at two o'clock p.m., announce the names

of the persons put in nomination in that behalf as candidates for the offices of Reeve and Councillors, as prescribed by the "Municipal Elections Act."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate applying for the same a duly certified list of the names of the several candidates who shall have been nominated, and any votes given at the election for any other candidate than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination-day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place at which the poll shall be so opened in the municipality, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot-papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held, the candidates (duly qualified) who shall obtain the greatest number of votes shall be Reeve and Councillors respectively.

Every person qualified to vote shall have five votes, being one for each Councillor to be elected and one for Reeve, but he may vote for any less number than five: Provided always that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall, by casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said municipality.

The opening of the ballot-boxes and counting the votes shall be in the presence of the candidates, if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Reeve or Councillor, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars (\$50) towards the municipal revenue; such sum, with costs, shall be recoverable by the Clerk of the municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on Thursday, the fourth day of January, A.D. 1923, at the place and hour to be set and appointed by the Reeve.

Until provision be made by by-law in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Act," and all the powers, privileges, and duties of the Reeve and Councillors shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

All expenses incurred in connection with the preparation and issue of these Letters Patent shall be paid by the municipality.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, the Honourable JAMES ALEXANDER MACDONALD, Administrator of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this twentieth day of December, one thousand nine hundred and twenty-two, and in the thirteenth year of Our Reign.
